IN NOAHS' DAY

The angelic sons of God depart from Heaven above & descend upon the earth, accompanied with Heavenly modes of transportation so named chariots. Sons of God appeared in Human form (**Gen 19:1-5** • **Heb.13:2**) to fornicate with the Daughters of men (**Gen 6:1-5** • **Jude 1:6-7**), which had produced a mingled Race of Cross Breeds, giant in stature and named Nephilim. God had to destroy all for all Human Flesh/DNA on earth, had become contaminated. God had to repopulate earth with pure Human-Seed so that this Promised Human Seed, named Jesus, the Messiah, may come, to save this lost, dark and dying world from sin.

Mankind with the Nephilim, wreak havoc on earth with great evil and violence. God decided to wipe out the Human and Half-Human Races by starting over with Noah and His family. These Nephilim perish in the Flood but God allowed their souls to live on to roam the face of the earth until judgment day. These Nephilim are the Evil Spirits, Familiar Spirits, and Demons spoken of in the Bible. Aimlessly they roam earth seeking to possess Human bodies to live out their vain, futile fantasies & vile lusts awaiting future torment and judgment (**Mat 8:29**). Demons are often used by God at times to accomplish His will (**1Kings 22:22**) (**2Cor. 12:7-9**) For the Demons are subject unto Him (**1Sam 18:10** and **Luke 10:17**). After many thousands of years possessing Humans, demons realize such is a vain & wearisome task, a temporary solution to their dilemma. Satan and Demons soon hatch a new two-fold plan for these Latter-Days as a final last ditch attempt, to escape their pending doom & judgment from the wrath of God. Satan and the Fallen Angels, the Demon/Aliens and all Humans who side with them shall fall miserably in defeat at the last Battle of Armageddon. **Rev 19:11-21**
